1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a former customer, now serviced by the City of Tega Cay. I am a Realtor in Tega Cay for over 30 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As a Realtor I get many comments and complains from people in Tega Cay that are serviced by TCU, Inc. The bad publicity in the media reflects unfavorable on the whole community since some people do not know that there are 2 entities providing water/sewer services. This company seems to be more interested in their profits than providing quality services to the community they serve. Please do not approve a rate increase until they get they get their system up to par!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No.
